

# New Cortisol Power Block Plus

## PURE FORM

Proprietary Blend  
Serving Size 300mg (1 capsule)

- Powerful antioxidant that also increases heat production, which in-turn increases calorie burning. Makes you feel energetic!
- Provides soothing anti-anxiety activity and reduces cortisol production!
- Reduces the urge to snack and assists to suppress the sugar and carb cravings!

Pureform's Cortisol Power Block Plus provides soothing anti anxiety activity and reduces Cortisol production. Pureform's Cortisol Power Block Plus safely provides the ideal combination. First, it stops us from overeating. And Second, it speeds up your metabolism so you burn up more calories from the food that you do eat! The result? Normal appetite, high metabolism and a leaner body!

For maximum results, use in combination with Pureform's Low Carb Whey Protein Diet Shake, and include Exercise, Diet & CPB+ for greater weight loss!
