

PUREFORM™

THE ULTIMATE IN NUTRITIONAL SUPPLEMENTS

POWER JOINT PRO

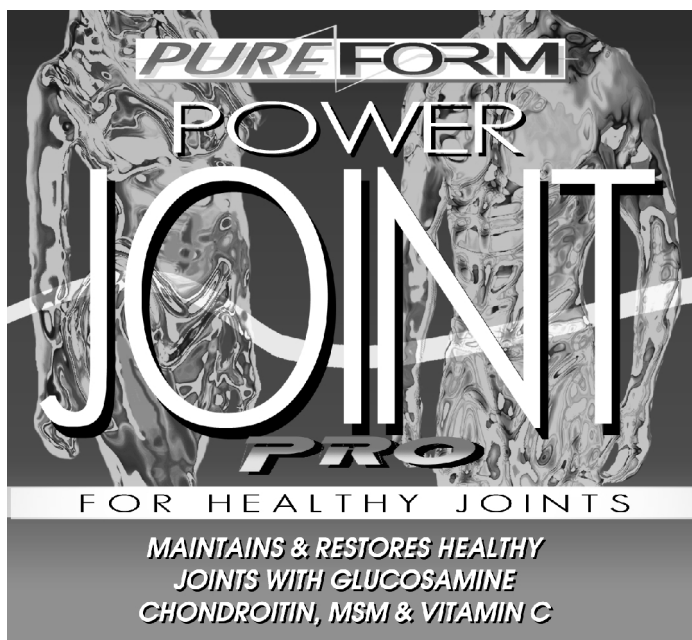

**MAINTAINS & RESTORES HEALTHY JOINTS WITH
GLUCOSAMINE, CHONDROITIN, MSM & VITAMIN C!***

Glucosamine & Chondroitin have been found to **stop deterioration and stimulate regrowth of cartilage**, along with **suppressing pain** as well as leading over the counter painkillers. Glucosamine is a building block & key component in joint lubricants. It makes up to 50% of the lubricant is synovial fluid. The fluid found in joints. It is also essential to the **production of collagen and proteoglycans** which are part of the molecular make-up of the cartilage matrix.*

Supplementing with glucosamine & chondroitin helps resupply lubricants in synovial fluid and **rebuild healthy cartilage** in injured joints. **Vitamin C** is included for **healthy skin, hair and connective tissues** and to **bolster the immune system** to help fight disease.*

MSM (Methyl Sulfonyl Methane) is a natural organic sulfur compound found in all living things and is present in high concentrations in body tissues and fluids. An average body uses up to 1/8 of a teaspoon of MSM a day and cooking destroys much of the MSM present in foods, therefore supplementing with MSM is a sensible dietary practice.*

MSM helps us utilize vitamins, and aids in the **production of enzymes**. It increases the **flexibility of body tissues** while improving circulation. By **reducing muscular inflammation & limiting lactic acid retention**, MSM can reduce athletic recovery times.*

MSM has been found to be a natural remedy for:

Osteoarthritis,
Athletic Injuries,
Post Traumatic Inflammation,
Carpal Tunnel Syndrome,
Rheumatoid Arthritis,
Fibromyalgia,
Headaches &
Heartburn due to Hyper Acidity.*

1200 MG GLUCOSAMINE
1000 MG CHONDROITIN
500 MG VITAMIN C
500 MG MSM

16 FL. OZ. SERVING SIZE: 1/2 OZ. / 1 TABLESPOON
